Bud:

To adjust to the numerous organizational changes that have recently been made, the Deputy Director on 4 November 1963 approved a new Executive Pay Scale which includes in Category I the Deputy Director for Science and Technology (yourself), in Category II the position of Chairman, USIB Watch Committee [REDACTED] and in Category III the positions of Assistant Deputy Director for Science and Technology (Giller) and Assistant Director for Scientific Intelligence (Chamberlain).

I understand that you have already initiated the necessary personnel action to promote Don Chamberlain to GS-18, and I assume that you will wish him to remain in this status for awhile. In any case, the initiative to place him in Category III should come from you at the appropriate time.
